

Abbiati is a privately owned company by the Abbiati family based in Turin Italy. Abbiati Casino Equipment has been in business in excess of 30years and has had its professional articles for Casinos since 1976.

Abbiati has built up an international reputation and client base with almost every county and city that offers legalized gaming.

The company is on two sites within 50metres of each other, one housing Office, Show Room and Production facilities and the other used for assembly and storage with the option of expansion on both sites.

Abbiati Casino Equipment main business is the manufacturer and supplier of Casino based equipment as used in live gaming; Roulette Wheels, Tables, Value Chips, Plaques and Jetons and all styles of gaming layouts (table felts) together with the technical back up of full CAD design and technical services.

Our manufacturing facility is split into three main sections Chip and Plaque manufacture with the latest injection molding machines and incorporating the latest RFID Technology using 13.56 MHz's with JPM.

Table and Roulette Wheel manufacture and assembly which incorporates our CNC machining processes to ensure quality and precision, together with Layout (table felts) design and printing department for both wool and synthetic products.

Electronic departments for Winning Number Display, Laser Wheel assembly and Independent electronic leveling systems for Roulette wheels

All our manufacturing processes are supported by a graphic and CAD Design department, to ensure Italian Quality and Design

Quality, Service, and Security, is a prime objective for the Abbiati Company and has secure rooms and surveillance for the final assembly of the value chips incorporating RFID

Our consistent growth and success stands as a witness of our continued commitment to deliver high quality, flawless products and services.
